

PHYSICIAN ASSISTANT OR NURSE PRACTITIONER, PER DIEM - REDMOND, OREGON

Brooks Respite and Recovery Center and BestCare Treatment Services is recruiting for a Physician Assistant or Nurse Practitioner for our 24/7 detox and Residential program location in Redmond, Oregon! This position may be required to work the overnight shift and to be available to work any days including holidays as well as light call duties. This is a per diem position that includes a retirement account option. Hourly pay range for this position is \$65.00/hour depending on experience.

BestCare Treatment Services is proud to be one of the longest-term providers of alcohol & drug rehabilitation and mental health services in the Central Oregon region. We got our start in November of 1997, thanks to a partnership between Deschutes County, State of Oregon, St. Charles Medical Center and the Central Oregon District Hospital. From a modest, singular drug rehab center, we have grown to offering residential and outpatient services in four cities in addition to the only Spanish-speaking alcohol and drug rehab facility in the state. We have helped thousands of people find the help they need in a caring and collaborative environment and we remain true to our founding mission:

To deliver experienced and compassionate services that support recovery of health and wellness by providing specialty behavioral health services to meet intensive needs.

As an agency, BestCare has a family feel with a supportive staff of hard-working professionals whose compassion and dedication is unmatched in our industry. They are smart, kind, innovative and strive to offer the best services available under all circumstances. Does this sound like you? If so, we invite you to join our team by applying for our open position.

Located in beautiful Central Oregon, Redmond, Oregon, is home to scenic river gorges, deep desert canyons, and other delightful treasures. The community is tight-knit and is known for its livability, affordability, community spirit as it's easy access to many outdoor activities. The surrounding landscape offers gorgeous snow-capped mountain views, fresh, clean rivers and lakes and breezy high desert plains. Redmond is in close proximity to a myriad of destination locations for fun and relaxation including the breath-taking Cascade Mounts, World Famous Smith Rocks State Park, and Cove Palisades State Park on Lake Billy Chinook just to name a few.

Title: Physician Assistant or Nurse Practitioner, per diem

Program: Residential Treatment & Detox Program

Program Location: Redmond, Oregon

Supervisor: Medical Director; Program Manager; Executive Director

Employment Status: Part Time Other

FLSA Classification: Non-Exempt

General Duties: The Physician Assistant or Nurse Practitioner works in a medically managed detoxification and residential substance use disorder (SUD) treatment environment, along with a team of experienced medical providers, RN's, LPN's, CNA's, and Counselors. The provider performs admission histories and physicals, counsels and obtains informed consent, and formulates and documents a plan of care for medical management in our electronic medical record (EMR). The provider also addresses other medical issues that arise in detox and residential clients as needed. The provider participates in coordination of care with other counseling team members internally, as well as with external contacts including primary care providers or the Emergency Department, when indicated. Some of this work may be completed via telehealth. This is a per diem type position. Weekend and other shifts are available on a regular basis. Training and orientation are provided.

Job Relationships:

- Reports to: Medical Director; Program Manager; Executive Director
- Employees Supervised: None

Job Specifications:

- Current license to practice as a Physician Assistant or Nurse Practitioner in the State of Oregon
- Valid board certification
- Valid DATA waiver
- Current Healthcare Provider BLS Certification
- For individuals recovering from the disease of alcoholism and/or from other drug addiction, have maintained continuous sobriety for the immediate past two years at the time of hire.

Language: English – written & spoken required; bilingual (Spanish) helpful

Skill Requirements:

- The ability to communicate well with both patients and other medical staff
- The ability to provide supportive, non judgmental supportive care to clients recovering from alcohol/substance abuse
- The ability to ensure a safe and clean working environment complying with Oregon OSHA, BestCare Policies and Procedures, Oregon Administrative Rules and within the confines of the medical board
- The ability to work as part of a collaborative interdisciplinary team

Work Schedule Requirements: This is a part time, as-needed position. Shifts last 24 hours (4-8 hours of in office or telehealth work, and 24 hour availability by phone for light call.

Specific Duties:

- Conduct histories and physicals on patients as needed and document assessment and plan in electronic medical record
- Order necessary labs and review results with patients
- Order and interpret urine toxicology screens, and access the Oregon Prescription Drug Monitoring Database when necessary
- Provide counseling and education on medication options for the treatment of various substance use disorders
- Provide education regarding options for and rationale behind SUD recovery
- Formulate and initiate treatment plan with patient's informed consent. Titrate or adjust medications as needed
- Administer medications for SUD treatment via subcutaneous/intramuscular injections, using standard practices including clean technique (training provided)
- Use motivational interviewing and active listening to support clients recovering from drug/alcohol dependence
- Address other general health concerns as they arise
- Complete and sign medical orders (meds, labs, etc.) as needed
- Review outside health records when necessary
- Document of diagnosis, level of service, and procedure codes using EMR
- Provide support to nursing and counseling staff (when on-call) to address general medical concerns and questions
- Coordinate care both internally (with outpatient counseling, Medication Supported Recovery, and residential treatment team members) as well as externally (with community PCPs, ER staff, and external MSR clinics) as needed
- Assure quality of care by adhering to therapeutic standards; measure health outcomes against patient care goals and standards; making or recommending necessary adjustments; follow detox and Medical Board philosophies and standards of care set by the state Medical Board, and OAR's for detox programs
- Place referrals to outside agencies as needed
- Additional duties upon approval of employee, Medical Director and BestCare Administration

Tools and Equipment Used:

Must demonstrate entry level computer skills, with the ability to use an electronic health record in order to perform intakes and document care. Office equipment including; multi line phones, fax, and copy machines. Medical equipment including; blood pressure cuff (digital and manual), pulse oximeter, digital thermometer, glucometers, venipuncture equipment, syringes and needles necessary for injections.

Physical Demands:
