BestCare Treatment Services is proud to be one of the longest-term providers of alcohol & drug rehabilitation and mental health services in the Central Oregon region. We got our start in November of 1997, thanks to a partnership between Deschutes County, State of Oregon, St. Charles Medical Center and the Central Oregon District Hospital. From a modest, singular drug rehab center, we have grown to offering residential and outpatient services in four cities in addition to the only Spanish-speaking alcohol and drug rehab facility in the state. We have helped thousands of people find the help they need in a caring and collaborative environment and we remain true to our founding mission:

To advocate and provide compassionate care in the treatment and prevention of addiction and mental illness.

As an agency, BestCare has a family feel with a supportive staff of hard-working professionals whose compassion and dedication is unmatched in our industry. They are smart, kind, innovative and strive to offer the best services available under all circumstances. Does this sound like you? If so, we invite you to join our team by applying for our open position for this exciting position!
